Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 08 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Staying windy on Sunday with some showers.

This Evening and Tonight:
Rain will largely clear across the north of the region whilst outbreaks of rain remain further south with these turning heavy at times. It will be windy near the coast. Much milder than previous nights. Minimum temperature 7 deg C (45 deg F).

Sunday:
Any morning rain will soon clear eastwards giving brightening skies with a few showers to follow come the afternoon. Windy, especially near the west coast. Some clear spells developing overnight. Maximum temperature 17 deg C (63 deg F).

Outlook for Monday to Wednesday:
Nights become milder but remaining rather windy at times, and unsettled with sunshine and showers or longer spells of rain throughout. Turning rather chilly again by day.
